# Stamp Set of the Month ~Beautiful Day~

How I made this card:

- Cut all cardstock to size
  - Whisper White
    - 1 x (8.5" x 5.5") score at 4.25" for card base
    - 4" x 4"
    - 5" x 3.75"
  - Basic Black
    - 1 x (5" x 1")
    - 5 1/8" x 3 7/8"
- Stamp flower across 5" x 3.75" piece of Whisper White cardstock using acrylic block E and Tuxedo Black Momento Ink.
- Color flowers with pencil crayons
- Adhere flower panel to Basic Black card panel
- Stamp sentiment and emboss with white embossing powder. I used my stamparatus to make this easier to stamp!
- Stamp flower onto 4" x 4" piece of Whisper White using Versamark ink pad, emboss with Black embossing powder and colour with Stampin' Blend markers, fussy cut out.
- Adhere sentiment strip
- Adhere flower with Stampin' Dimensionals
- Adhere panel to card base

Thank you and I hope you have fun making this card!

Cheers,  
Kelly
